

Submit an Abstract

Please note - only one abstract per participant using the unique Conformation Code from the Registration emailed Receipt.

Deadline for abstract submission:

Speakers: Deadline 16th March, 2019.

Posters: Deadline 6th April, 2019 - or until full (we have space for 52 posters).

Requests for oral presentation slots for students - we have a limited number and each request is made on the abstract submission form. All requests will be reviewed by the Program Committee. Including reference to published or submitted (confirmed by supervisor) is a necessary condition.

You will receive a confirmation receipt of your submitted form and abstract to the email you provide below. PLEASE make sure it is a valid email.

16. Have you requested an oral presentation in the student/PDF Symposium S9? *

Please note that a complete list of symposia and confirmed invited speakers in each symposium is available on this web site. If you are requesting an oral presentation in S9, you must include in your abstract, reference to a paper published or to be submitted with you as a coauthor on this topic. Those applying for S9 presentations must take care to include evidence for publications (submitted or published or about to be submitted) in their abstract. Recognizing the difficulty for outstanding undergraduates, we will accept evidence of high quality research contributions from submitted or about to be submitted papers.
