**16. Have you requested an oral presentation in the student/PDF Symposium S9? \***

Please note that a complete list of symposia and confirmed invited speakers in each symposium is available on this web site. If you are requesting an oral presentation in S9, you must include in your abstract, reference to a paper published or to be submitted with you as a coauthor on this topic.

Those applying for S9 presentations must take care to include evidence for publications (submitted or published or about to be submitted) in their abstract. Recognizing the difficulty for outstanding undergraduates, we will accept evidence of high quality research contributions from submitted or about to be submitted papers.
